limeade®
it's totally possible.

ABOUT LIMEADE

Limeade is a corporate wellness technology company that drives *real* employee engagement. Limeade takes a whole-person approach to well-being, amplifies an organization's commitment to its employees and delivers smart technology that fits how people work today. Employees earn points and rewards for taking steps to improve, while employers experience better business results. Recognized for its own award-winning culture, Limeade helps the world's best companies develop happier, healthier and more productive employees.

 TINYpulse®

ABOUT TINYpulse

TINYpulse makes employee engagement solutions for over 1,000 businesses including Michelin, EMC, Stitch Fix, and Capital One. TINYpulse Engage offers leaders a way to take the pulse of their workforce by helping them regularly collect feedback from employees. TINYpulse Perform is a performance management tool that helps leaders facilitate 1:1 meetings to improve employee performance and achieve company goals. Learn more at www.TINYpulse.com
