Culture-Building

Strong company cultures foster idea sharing, frequent conversation and community-building. Limeade helps make these possible.

Our customers use Limeade to empower:

- Real-time chats between coworkers and teams
- Employee recognition with peer-to-peer cheers
- Employee advocacy
- Regionally-specific communications
- Voting, polls and feedback
- Company communications – from customer wins to internal initiatives

Limeade enables a two-way dialogue, amplifying employee voices so that everyone feels central to the company's success.

Limeade is an immersive employee well-being company that creates healthy employee experiences. Limeade Institute science guides its industry-leading software and its own award-winning culture. Today, millions of users in over 100 countries use Limeade solutions to navigate the future of work. By putting well-being at the heart of the employee experience, Limeade reduces burnout and turnover while increasing well-being and engagement – ultimately elevating business performance.
